Disclaimer: *This document is for information purpose only.*

¹ If the request is submitted on paper, which already has those data in its letterhead, it is not necessary to quote them again.

² This is about the types of warehouses from Article 185 of the Ordinance.

³ It is considered that adequate procedures are:

- submitting of usual customs declarations;
- use of one of simplified declaring methods;
- regular or simplified completion of the procedure.

These data are not mandatory, if they are about placing goods into free trade, from bond type D.

⁴ Only for bond type B (short term storage due to decrease of administrative supervision costs).

⁵ This is about:

- domestic and customs goods;

⁶ For instance, drawing, exact description of storing place or for records keeping.
